

Annex 3

Evaluation of EVARS module 5.

EVARS is a test course. Therefore we will like to have your opinion of the teaching so we can improve the entire course.

We kindly ask you to hand the form when attending this final module. Or you can send it to us afterwards. You are welcome also to write the answers at the back.

1. What were your best experiences today?

- 1.
- 2.
- 3.

2. When did you learn most today?

- 1.
- 2.
- 3.

3. How did the level of the presentation(s) suit you?

4. How was the link between the presentations and group work?

5. How did you experience the group work (content and communication)

6. How was the link between module 5's theme *Wants, needs and obligations as a volunteer*, the presentations and the group work?

During the course you have had the opportunity to participate in a network with other volunteers.

7. Have you and your network of volunteers prepared proposal(s) for the local authorities regarding the future cooperation and the volunteer work/tasks?

Yes No

If your answer was no, what do you believe it takes before you can make a proposal?

If your answer was yes, please continue to question 8

8. Can the network of volunteers you are participating in support you in volunteering?

Yes No

If yes, in which way/how?

If your answer was no, what do you believe it takes before the network can support you?

9. Have you used the learning form which you have received after each module in order to help you keep focusing on your own learning?

Yes, every time Yes, a couple of times No, not at all

10. If yes, how did it support your learning?

If no, how come you did not use it?

11. How did you experience the practical organization?

12. In general: how do you assess that the module will improve your ability to volunteer and the voluntary work in general?

(Tick one box)

1. very good 2. good 3. appropriate 4. bad 5. very bad

13. What would you like to do/have more of?

14. What would you like to do/have less of?

15. Do you have any further comments ?

Thank you for your answers

Kind regards the project team ...*(insert your names!)*
